Architectural appeal and modern updates go hand in hand in this elegant Upper North Hill brick and stucco two-story. This Tudor style abode boasts original solid wood floors met by rich wide baseboards and trim throughout the majority of both floors of living space. White kitchen cabinetry reflects a newer coat of paint in the efficient kitchen and adjoining eat-in nook. Wood beams straddle the dining room's planked ceiling, where a chandelier is suspended and follow suit in the generously proportioned living room, where the ceiling is met by a striking fireplace. A main floor powder room services guests while a recently updated full bath offers it's accommodations to the occupants of each of this home's three well-sized bedrooms. Make memories on the intimate rear patio nestled within the shrub and perennial borders and the large and lovely private backyard. 217 Sumner Avenue is the perfect place to start the next chapter of your life.
